

French Door Foldables

PREVIEW

from Activities To Teach

Engaging Way for Students to organize and present their learning.

Designed by a teacher for teachers, making learning fun for all. Foldable activities appeal to multiple intelligences and learning styles. Easy to use and ready with little prep time. Simply copy the folding instructions on one side and the "completed" template guide on the other. For older students in middle and high school, the template guide can be filled in by them in response to your instructions.

Activity includes:

- 2 door foldable instruction card
- 4 door foldable instruction card
- 6 door foldable instruction card
- 8 door foldable instruction card
- Student planning worksheet for each foldable in the series.

Foldable Guides for All Included Foldables

French Door Foldable ~ 4 Panels

4 Panel French Foldable Uses-

- ❖ Culminating Presentation Frame
- ❖ Information Listings
- ❖ Poster with Explanations Bubbles
- ❖ Diagram or dissection of a centered piece of work

Materials Needed

- ✓ Paper (letter size for regular foldables)
- ✓ If there is a lot of information 11x17 paper is recommended
- ✓ Coloring Utensils
- ✓ A Ruler
- ✓ Scissors needed

Step 1: Draw a line down the middle of the paper vertically. Use a ruler to find the center. It is NOT recommended to fold the paper in half to find center OR it will weaken the stability of the back flap to the crease.

Step 2: Next fold the outer edges into the center fold to create two flaps as pictured.

Step 3: Leaving the flaps folded to the center fold line from Step 2, next MARK the middle of each folded flap. Remember to NOT fold as it will weaken the back panel.

Step 4: Open for easier access but do NOT completely unfold. Cut the side flaps only up to where the fold meets the back panel.
