

# Get to Know You Foldable Dice

Fun and hands-on way to get to know your “neighbor”. Perfect for back to school season too! You can chose to have your student create the dice themselves or you can make them in advance. Easy and ready to go.

*by Dr. Nicole Yemothy*

## Activity includes:

- 7 pre-written six sided dice ready to be cut out and assembled.
- 1 blank dice template to write your own questions.

## Supplies needed:

- Scissors
- Glue or Tape
- Paper to print cards
- Looseleaf paper if you want your students to record their answers.

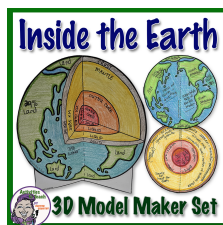

WE RECOMMEND USING CARD STOCK TO PRINT THE DICE FOR DURABILITY, ESPECIALLY IF ONLY CREATING A FEW SETS FOR REPEAT USE.

WE APPRECIATE YOUR FEEDBACK AND REVIEW OF OUR ACTIVITIES AT OUR STORE. LEAVING US FEEDBACK HELPS US AND EARNS YOU TPT CREDITS.
